

Dress Code

When you are present in the daycare, as an Educator, you represent Ridge Kids Playcare and our team. Educators should appear clean and comfortable, ensuring that personal hygiene is not affecting others-body odour or perfume scents should be minimal. Professional but practical for the kind of work we do!

What to wear:

- Comfortable and practical clothing-must not be revealing, ripped or in disrepair.
- Closed toe, nonslip, comfortable footwear.
- Professional and neat appearance.
- Hair in comfortable but neat style, to prevent it getting in the way or pulled by children.
- Scent free (no perfumes or colognes) but hygiene products like deodorant are appropriate and often necessary.

What to avoid:

- Unsafe footwear-heels, open sandals, flip flops.
- Revealing and unprofessional clothing-low rise, midriff baring or clothing with offensive logos/statements are not permitted.
- Excessive jewellery-for safety purposes.
- Messy or stained clothing.
